2. **Decision Making of Architectural Reviewer.** The Architectural Reviewer shall render its decision on any matter brought before it within thirty (30) days of the submittal. At the sole option of the Reviewer, such decision may be rendered in a preliminary or final form within that period of time. No default in any payment or other breach of these Covenants shall impair, defeat or render invalid the lien or encumbrance of any mortgage or land contract for value encumbering any lot, which mortgages or land contracts are declared to be prior to and superior to the rights created in favor of any person or persons under these Covenants; provided, however, that in the event of foreclosure of such a mortgage or land contract, or if the holder of the debt secured by any such mortgage or land contract acquires title to a lot secured thereby in any manner whatsoever in satisfaction of the debt, the lot so purchased or acquired shall immediately upon such purchase or acquisition become subject to each and all of the restrictions, covenants, conditions and reservations created by this instrument, but free of the effects of any breach occurring prior thereto.

5. Hunting Prohibited: Discharge of Firearms Restricted. There shall be no hunting, whether on individual lots or in the common areas, located in Idella Ridge. Nor shall firearms be discharged at any location in the plat.

6. Covenants Binding on Successors and Assigns. These Covenants shall be binding upon all successors and assigns of the Developer and the owners and occupants of each of the lots, together with any additional lots which may be created in the future, in accord with ,i 7., above.

7. Partial Invalidity Effect. Should any clause, sub paragraph, paragraph or article of these Covenants be declared by any court of competent jurisdiction to be void or otherwise unenforceable, the provisions so construed shall be deemed to have been severable from the remainder of these Covenants, which shall remain in full force and effect as if the severed portions never were incorporated in the first place.

8. Amendment. These covenants shall be subject to amendment upon a positive vote of at least fifty-one percent (51%) of the owners of the lots in the plat. In the event of an amendment, each owner shall be provided with a copy of the said revised Covenants and the Owners Association shall see to it that the original is recorded against the title to all affected real estate.

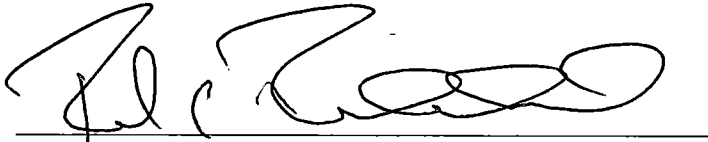

9. Enforcement.

- A. Interested Persons. These Covenants run in favor of the affected land, as well as in favor of the owners of each affected lot and the Owners Association, each of which, acting jointly or separately, shall have the power, right and authority to enforce against any infraction or violation of the same. In addition, the Developer hereby grants to the Town of Menomonie and Dunn County, the power, right and authority to enforce these Covenants in the best interests of the public. Included in this right of the Town and County to exercise these covenants on behalf of the public shall be the ability, should the Owners Association fail or refuse to assess a sufficient amount against the subject owners to cover the cost of its activities in furtherance of maintenance of the common areas, for the Town or County to so assess the subject owners to cover the reasonable costs thereof on an annual or project basis. An owner or an occupant shall have the right to enforce these Covenants in rem on behalf of an affected lot.
- B. Venue. Enforcement of these Covenants shall be maintained in the Circuit Court of Dunn County, Wisconsin.
- C. Waiver of Breaches. The failure of an interested person to pursue a violation of these Covenants shall not constitute a waiver of any other or any further breach of these Covenants.

Nonetheless, the mere fact that a violation is alleged to have occurred shall not compel any interested party to take action to correct such violation. Enforcement shall be in the sound discretion of each interested party.
