

## WHAT WE LOVE ABOUT OUR HOME

- **Watching sunsets from the living room windows and deck, and watching summer rain and winter snow come over the valley**
- **Having quick access to I94 for trips to the Twin Cities and Eau Claire**
  - **Using high-speed fiber for internet connection**
    - **Really “feeling” the 4 seasons**
  - **Having a studio in our backyard for nature photography**
    - **The huge amount of storage in the house**
    - **Being able to entertain a large group**
    - **Having a large laundry room**
      - **Seeing wildlife every day**
      - **Decorating the garden shed**
  - **Sipping morning coffee on the front porch or deck**
    - **The prairie wildflowers**
    - **Having office space**
- **The walkout lower level allows for great views and easy access to the outdoors**
  - **Window placement allows light from all sides of the house**
    - **The fall colors are amazing**
    - **The Sunesta awning on the deck**
